

# PRZEMIANY 2024 FESTIVAL PROGRAMME

Admission to all events is free

## MATERIALIZING THE FUTURE

Design and materials engineering are key areas for the future of our planet. This is why we are dedicating this year's edition of the Przemiany Festival to them. Visit exhibitions and experimenting stations, meet renowned experts from the worlds of science, design, and art; express your opinion in debates, watch documentaries, experience an interactive installation and a performance.
